

REDISCOVER YOUR CHILD'S learning journey.

Now enrolling!

Every child is unique, so we offer personalized learning experiences, starting with infants. Our digital learning platform enables our educators to customize curriculum.

In addition to all essential academics, we offer:

- Social-emotional development
- Positive behavior support
- Healthy meals and snacks
- Flexible enrollment options

Beyond following state and local guidelines for a clean, healthy, safe environment, our protocols now include a COVID-19 vaccination requirement (or weekly testing) for all staff.
