LEARN MORE

## MENTAL HEALTH

### Employee Assistance Program

Access to counseling services, answers to legal or financial questions, locating child or elder care, overcoming relationship conflicts, college planning, resources for moving, worklife webinars, and more.

### Faculty/Staff Support Services

Consultative services, Mental Health First Aid trainings, support to resolve behavioral health issues, and a primary crisis intervention resource to facilitate and coordinate appropriate resources.

### Behavioral Health Benefits

From medication management, anxiety, to eating disorders, there are multiple behavioral health resources available through your UC health insurance provider.

## PHYSICAL HEALTH

### Campus Recreation

On-site and virtual fitness classes, programs, challenges, and cooking demonstrations.

### Susan Samueli Integrative Health Institute Wellbeing Initiative

A wellbeing initiative to provide support services for our extraordinary caregivers and co-workers. Mindfulness and meditation, nutrition counseling, biofeedback, yoga, and more.

### Diabetes Prevention Program (DPP)

A year-long group class designed to help reduce the risk of developing Type 2 diabetes. Facilitated by certified Lifestyle Coaches using a CDC approved curriculum.

## FAMILY SUPPORT

### Bright Horizons

Back up care for dependents (child/elder), virtual tutoring, college coaching, parenting webinars, and more.

### Lactation

Dedicated lactation spaces, information, and support to help those lactating to comfortably provide milk after returning to work.

## FINANCIAL WELLNESS

### Fidelity

One-on-one retirement planning, financial consultations, ongoing webinars, and tailored presentations by request.

### Additional Perks & Discounts

Employees have many perks and discounts available to them including pet insurance, fitness club access, travel programs, theme park discounted rates, education programs, and more.
